

ANSWERING SERVICE

Contact Automation's Answering Service serves as a flexible, customizable extension of your brand. Our 24-Hour call centers take the burden off you, ensuring that all of your calls are captured.

- Statistically, 72% of customers will not leave a message if they are directed to voicemail or automated attendant. With the CA solution we have the experience and staff dedicated to handling every customer call with care, attention and professionalism. Every call is captured and your marketing and advertising budget are maximized.

OUR SOLUTION

Our Answering Service will seamlessly integrate as an extension of your business. We customize every answering solution to meet the demands of your specific industry. With the CA solution we can take messages, handle dispatch, capture leads, and much more. We keep you updated about your calls via text messages, email, and our web portal. At CA, your calls will be handled with the utmost professionalism and attention they deserve. Furthermore, you can trust that every lead will be captured no matter what time they call.
